

## The Berwick Archery Club

Members,

May 6, 2010

Just a reminder to everyone, that there will not be any regular monthly meetings throughout the summer. The next regular meeting to be held at the club will be on the 2<sup>nd</sup> Sunday in September due to the Labor Day weekend. The meeting will be held at 7PM on September 12, 2010.

The club will host our first outdoor field/hunter shoot on Sunday May 23, 2010. Help will be needed to put targets up the Saturday evening before (contact Fred). The outdoor course will be closed off on Saturday May 22, 2010 after the new targets have been put up. We would also like to see if we can get some food donations for the kitchen. Please contact either myself or Pam if you would like to donation something for the kitchen. Call 570-759-3954 if no answer please let a message.

I would like to make it known to the entire membership that Brian Eisenhauer has resigned as a stockholder member at the Berwick Archery Club. Anyone who may inquire about the Berwick Archery Club JOAD Program please encourage them to contact Vice President Joe Knipp at 570-752-2222. Joe has volunteered his time to oversee and to instruct the JOAD Program.

We are going to have an outdoor field/hunter league as we have in the past. The same rules would apply as in past leagues. There will be score cards and envelopes in the metal box on the backside of the clubhouse.

- You will shoot your league score put your score card and your league money (\$5 per week) in an envelope and put it in the locked mailbox. Please note date and top or bottom on your score sheet.
- You will have the entire week to shoot your league score, if you DO NOT turn your score and money in by Sunday at 9 PM your score will be a '0' for that week.
- You will be required to shoot 4 weeks of the hunter course and 4 weeks of the field course. The league will be an 8 week league.
- YOU MAY shoot ahead if you like. The purpose of being able to shoot ahead is to cover other PSAA events or family vacations that may come up over the period of the league.
- We will start the league the week of May 25<sup>th</sup> which is the Monday after our field/hunter conference shoot.
